Aptum will, within thirty (30) days of receipt of such written notification, either correct the noncompliance or provide Customer with a plan for correcting the noncompliance. If the noncompliance is not corrected or if a reasonably acceptable plan for correcting them is not established during such period, Customer may terminate this License as its sole and exclusive remedy for such noncompliance. Notwithstanding the foregoing, or anything to the contrary, Customer acknowledges that the Software may include features to prevent use after the applicable term and/or use inconsistent herewith.
